

Dadi Ishu

Treasurer of Brahma Kumaris since its inception

Dadi (Elder sister) Ishu was one of the original gems of the Brahma Kumaris. Dadi joined the organisation at a very young age. **Dadi Ishu's honesty, faithfulness, simplicity and integrity was spotted by Brahma Baba** due to which Dadi was given the responsibility of handling the correspondence and more importantly the finances of the institution.

Dadi Ishu was the right-hand of Dadi Prakashmani, the then Chief Administrator of the Brahma Kumaris and travelled with her throughout India and abroad spreading the Godly message.

Dadi Ishu **served as the Joint-Chief and Treasurer of the organisation during her life-time.**

Dadi Ishu was a silent effort maker both in spiritual and literal sense of the word and was a self effacing serviceable instrument of the Almighty. **Dadi Ishu despite being reserved was very jolly at heart and had a childish innocence.**

Dadi Ishu attained her angelic stage on 06th May, 2021 and continues to inspire the new generation.
