THE DIVINE FOUNDERS

The Sacred Foundation of a Global Spiritual Movement

Pitashree Brahma Baba

(1876–1969)

• Adi Dev - The First Deity • Founding Father

The chosen instrument of the Parmatma Shiva, Pitashree Brahma Baba was the divine chariot through whom God descended into this world to carry out the divine task of world renewal.

He is revered as Adi Dev - the First Man and the First Deity. Paramatma Shiva, who descended into him to carry out the divine task of world renewal. God did not take birth - He took a body on loan, choosing this pure, experienced soul as His living chariot.

Surrendering everything at the feet of the Divine, Brahma Baba became the living foundation of a spiritual revolution. He established the Yagya - a sacred sacrificial fire of knowledge and in an act of divine wisdom, entrusted its entire leadership to a committee of young women, declaring that Nari Shakti, as Shiv Shakti, would be the torchbearers of God's task on Earth.

He ascended to the subtle world on 18th January 1969, yet his angelic presence continues to guide and sustain this global spiritual family.

Mateshwari Jagdamba Saraswati

(1916–1965)

Adi Devi - The First Goddess • First Administrative Head

The Vedic mantras speak of Saraswati as Shiv Sahodara - Shiva's divine companion in the task of creation. She is the World Mother, Jagadamba - through whom the Supreme fulfils the wishes of His children.

She was the living Goddess of knowledge, yoga and inculcation of purity. She remained constantly fearless and unshakeable like a mountain and this fearless state has been memorialised in devotion as the Goddess riding the lion. She was *Bhagya Vidhatri* - the Bestower of Fortune, who drew the lines of destiny for countless souls.

She was the mother who nurtured an entire spiritual family with divine love. In every temple where Jagdamba is worshipped, it is this soul's living memory that echoes - the original Shakti, the first mother, the eternal flame of divinity.

She left her mortal form on 24th June 1965, but her spiritual fragrance - pure, powerful, and ever-present continues to inspire millions who walk the path of self-transformation.

THE PILLARS OF SPIRITUAL LEADERSHIP

Guiding Lights Who Carried Forward the Divine Legacy

Rajyogini Dadi
Prakashmani Ji
(1922–2007)

Administrative Head
(1969–2007)

*"She received a flame from
Baba's own hands and with
the quietness of a deep
river, she carried it to the
shores of 130 nations."*

The soul into whose hands
Brahma Baba entrusted the
future of God's family. For
nearly four decades, she led
with the rarest of
combinations - absolute
humility and absolute
authority. Honoured with the
UN Peace Messenger Award
in 1987, her truest award was
the peace she carried within,
which became the peace of
millions.

Rajyogini Dadi
Janki Ji
(1916–2020)

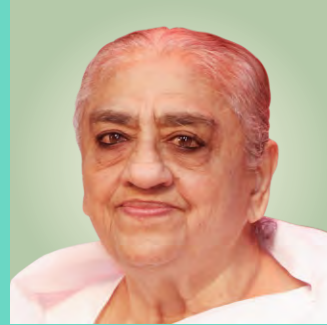

Administrative Head
(2007–2020)

*"Scientists measured her
mind & called it one of the
most stable in the world.
Those who knew her simply
called it surrendered."*

Celebrated as one of the
most stable minds in the
world, she was a soul of
extraordinary fire
contained in
extraordinary stillness. A
tireless global ambassador
of peace. Her leadership
was pure alchemy -
transforming doubt into
faith, weakness into
power, and distance into
belonging.

Rajyogini Dadi
Hridaya Mohini Ji
(1929–2021)

Administrative Head
(2020–2021)

*"She stood between two worlds
- the corporeal and the subtle,
& through her, the Supreme
Father's voice reached His
children on Earth."*

Affectionately known as
Dadi Gulzar, she was the
sacred medium through
whom Paramatma Shiva
conveyed the Avyakt Murlī
for over five decades.
Chosen for her purity and
complete surrender, she
served as an angelic bridge
between BapDada and His
children. Her life reflected
divine love, light, and
spiritual wisdom.

Rajyogini Dadi
Ratan Mohini Ji
(1925–2025)

Administrative Head
(2021–2025)

*A Jewel of purity & simplicity
whose light shone for a
century. Fondly known as
"Youth Dadi" for her nurturing
guidance to generations."*

She was a guiding light of
spiritual wisdom,
simplicity, and unwavering
dedication. Through her
gentle leadership and deep
connection with the
Supreme, she has inspired
countless souls to lead lives
of purity, peace, and
service. Her life continues
to reflect divine love,
humility, and spiritual
empowerment.

ABOUT THE SUMMIT

The **Global Summit 2026** is a landmark international gathering commemorating 90 years of the Brahma Kumaris' spiritual leadership and selfless service to humanity. Centred on the theme "**Spiritual Awakening for World Renewal**," and guided by the timeless values of peace, purity, compassion and dignity, the summit is a distinguished global platform for dialogue, reflection and collective inspiration.

Today, despite remarkable progress in science, technology and communication, the world continues to face geopolitical tensions, instability, mistrust, ecological imbalance and emotional fatigue. These challenges reveal a deeper truth: **outer progress cannot sustain lasting harmony**. What the world needs is a **shift in consciousness**. When the inner world transforms, the outer world follows.

This summit is founded on the conviction that true world renewal begins with inner renewal. When individuals awaken to their eternal spiritual identity and reconnect with the Supreme energy - the source of all peace, love, purity and power - there emerges clarity in thought, purity in intention, dignity in action and harmony in relationships. Such awakened consciousness becomes the foundation for healing the self, uplifting society and renewing the world.

The Summit brings together leaders, policymakers, professionals, youth, women, academicians, media voices, social change-makers and spiritual visionaries from across the globe. Through high-level dialogues, Rajyoga Meditation experiences, professional seminars and cultural exchange, it will serve as a powerful catalyst for inner awakening and global goodwill.

Global Summit 2026 is both a tribute and a call - honouring nine decades of divine service, and inviting every soul to become an instrument for change: to awaken the self, awaken values, and contribute to the creation of a more peaceful and awakened world.
