About the Host

Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya

Founded in 1937 by Pitashree Brahma Baba, the Brahma Kumaris is a spiritual movement dedicated to the upliftment of humanity through the practice of Rajyoga meditation and the inculcation of divine virtues. Brahma Baba, a visionary with deep spiritual insight, established this organization to inspire a lifestyle of purity, peace, and soul-consciousness.

Over the decades, the organization has been nurtured by the tireless service of its spiritual matriarchs—Respected Dadis, such as Dadi Prakashmani, Dadi Janki, and Dadi Gulzar, whose divine wisdom and maternal leadership touched millions worldwide.

Today, under the guidance of its present spiritual head, Rajyogini Didi Mohini Ji, the Brahma Kumaris continues to shine as a global lighthouse, with its international headquarters in Mount Abu, Rajasthan, welcoming seekers from over 140 countries to rediscover their inner royalty through spiritual empowerment.
